

**Welcome to Terra Ceia CRC!** We invite you to join us for lunch after the morning service in the Fellowship Hall. Everyone welcome...there's plenty!

## Today's Worship

**The message this morning,** "Walking with God," urges us to consider what it means when Jesus says, "Follow me!" The story in Numbers 9:15-23 helps us understand what it means to walk with God, following him step by step, day by day—even when it seems inconvenient or impossible.

**This evening:** We invite you to join us at 5:30 for a time of worship and praise as Louie Giglio reminds us that everything created by God responds to him with songs of praise. The songs of the stars and the songs of the whales are joined together with those who sing, "How Great Is Our God." The God who created everything is *indescribable*, and the love that he has lavished upon his children is *unimaginable!* Join us this evening for this "Symphony" of praise!

**Preaching:** Al Kuiper

## CRC Prayer Requests

**Russia:** Edvard in St. Petersburg shares that he wanted to know more about the Christian faith and found our Russian ministry website. He writes, "I particularly like your section where you reply to your readers' questions. After reading through it, I had many of my own questions answered." Pray that Edvard continues to seek God in his daily life and to grow in faith. (*Back to God Ministries Int'l*)

**Laos:** For many years there has been a sense of vulnerability for people living in the mountains of Laos, due to a lack of land security and quality of life. However, through a decade of faithful hard work, World Renew staff, partners, and the people of Phongsaly and Xiangkhouang districts have countered some major issues in agricultural sustainability and education for children. Praise God for program success in Laos! (*World Renew*)
