MESSIAH scrapbooks: The church was recently given two scrapbooks on the Messiah performances that were done for 20 years. Martha Baynor has done a beautiful job chronicling each and every year. They are in the fellowship hall for you to see and after a few weeks they will be put in the library. If you want to reminisce about those wonderful years, please enjoy them. The performances received support through the Beaufort County Arts Council, but were held at our church most of the years and had a lot of our church members involved. The books were put together to honor Mrs. Ellene Van Wyk who was the inspiration for it all; her family has enjoyed the books as well.
