☀ **Announcements..**

Interim Pastor: Pastor Bill and his wife plan to arrive in Terra Ceia on Tuesday or Wednesday to begin their service among us through December 16.

Take One! The library is purging VHS tapes. They are on the table in the fellowship hall. If you would like some of them, please help yourself or they will be donated. The library has a nice selection of DVDs now, so please check them out as well. We continually get additions to our books so check the shelf under the cat picture for new books.

Children's Messages: Our precious children love the special time that they get during the church service—a time in which they hear God's loving story in a way that they understand. If you are inclined to be a part of this exciting ministry to our children, then talk to Irene and get on the list. A HUGE thank you goes out to those already participating in this important and fun ministry!

☀ **Welcome to Terra Ceia CRCI**

Please join us for refreshments after the worship service. We would like to get to know you.
